RE: May 2014 Monthly Report

During the month of May, the West Lafayette Police Department received **2,453 calls for service**, an increase of 92 calls (4%) from April, and an increase of 280 calls (13%) from May 2013.

In May, the WLPD assisted the Purdue University PD with traffic control for residence hall move outs and with university events during graduation weekend. The Neighborhood Resource Team once again coordinated the dumpster move out program in our near campus neighborhoods. Six dumpsters were strategically placed in the neighborhoods and all were utilized extensively by our students during spring move out.

The West Lafayette Narcotics Unit (WLNU) wrapped up several investigations this past month which resulted in the arrests of seven suspects on serious drug felonies, including Manufacturing Methamphetamine, Dealing Cocaine, Dealing Marijuana and numerous possession charges. The WLNU seized 12 grams of cocaine, 19 grams of synthetic marijuana (spice), 555 grams of marijuana, \$2,400 cash and one handgun during these same investigations.
